BUFFETS

We can cater for large private functions. From shooting parties to christenings, baby showers, wakes or birthday parties and family gatherings. We can provide a buffet for your occasion. For smaller functions we can setup in the cosy lounge end with the open fire, or for larger functions we can setup in the restaurant with cosy seating and ample space for the buffet and party members. For larger functions including wedding receptions we can close the pub to the public.

Buffets can range from classic finger buffet style which include sandwiches, pork pies and sausage rolls ect, to afternoon tea. Below are two template buffets which we can modify for your needs. We also cater for any dietary requirements needed for party members whom may have food intolerances or vegan. Our buffets come with a tea and coffee station for party members to help themselves to.
